*THE REVEALING* Jan 28 2020 To the very end of Christ's ministry, there was a constant human need to know Him. Having already been warned about a plot to kill Jesus, a group of Christ's friends privately asked a troubling question concerning future events, "What shall be the sign of thy coming and of the end of the world?" (Matt. 24:3) Circumstances were rapidly spiraling out of control, and the disciples longed to understand what would happen next. In the last 2000 years, the same basic need for awareness has only intensified. Complex global

developments seem almost beyond our ability to address. Akin to St. Paul's analogy of labor pains at birth, each new world crisis appears to occur faster and with greater severity than the one before! (1 Thes. 5:3) Today, people are genuinely hungry for the reality of intimately discovering who Jesus actually is. Like the early disciples, we have the same nagging desire to know. Haven't you felt this need in your own life? For that reason, the Revelation of Jesus Christ was divinely inspired and written by Apostle John. Spanning the entire circuit of Creation, the Apocalypse addresses the timeless question, "What shall be the sign of

thy coming and of the end of the world?" Unlike any other book in the Bible, only the Revelation promises a special blessing to those individuals who explore its amazing prophetic secrets. (Rev. 1:3) However, without the necessary key to open human understanding, John's prophecies have remained closed. Until now! THE REVEALING is that KEY for unlocking the intricate mysteries of the Revelation of Jesus Christ in order for you to know "The Sign of Christ's Coming and the End of the World!"

*The Revelation of Jesus Christ* Sep 23 2019 The Revelation of Jesus Christ is the final biblical prophecy of end time events which usher in the return of Jesus Christ and His eternal kingdom. Our daily news brings us timely information of how the whole world is being readied for these events to take place. The Revelation details the major events of satan's plans to rule the planet with a one-world government, a one-world religion and a one-world economic system through a charismatic leader we know as the antichrist. But this prophecy also rolls back the veils of heaven and reveals Jesus Christ as the Lion of God as He brings to fulfillment all the prophecies of the Bible. He restores justice to the world by punishing evil and personally ruling over the nations in righteousness and peace for all eternity. This Study Guide for LIFE directs readers through the complexities of this prophecy by a three-prong approach to explain what the prophecy says, what it means and how to apply it to their lives. This is done by: 1) offering explanations of our current understanding of the more difficult passages in the Revelation; 2) asking readers questions that can be answered directly from the text to focus attention on specific aspects of the prophecy; and 3) asking probing questions that encourage readers to examine their own lives with the truth that John reveals. The Study Guide is appropriate for the study efforts of individuals, small groups or a teacher preparing to explain this book. Whether you are a curious seeker or a professional minister, the Study Guide for LIFE will direct your studies into the heart of John's Revelation, but also to the very heart of Jesus Christ Himself. *Revelation* Nov 25 2019 Blessed is he that readeth, and they that hear the words of this prophecy, and keep those things which are written therein: for the time is at hand. (Rev. 1:3). Behold, I come quickly:

blessed is he that keepeth the sayings of the prophecy of this book. (Rev. 22:7). The author of the book of the revelation is Jesus Christ (Rev. 22:16). The Lord intended that this book should be read and studied especially by His people (Rev. 1:3). It is not a sealed book, as many suppose, but one which is open and easy to understand (Rev. 22:10). Bearing these facts in mind, we find the study of Revelation to be fascinating, illuminating and deeply profitable, instead of difficult and confusing. The messages in this volume constitute thirty-five radio sermons which were preached first over the Mutual Network and by foreign and short-wave stations around the world, from August, 1945, to April, 1946. The response to these radio messages was so enthusiastic and the evident desire for light on the book of the Revelation so general that we soon decided to print these studies on one volume. Hence this book. No attempt has been made to present an exhaustive verse-by-verse exposition of the book, but, rather, we have tried to present the general outline, the basic structure and the framework. We have dwelt at length on certain passages because they constitute the pillars of the book. Our purpose is to present clearly the general outline and structure, and then the details will fall naturally into their proper places. If certain simple rules are followed in reading and studying it, the book of the Revelation becomes clear, logical and easily understood. We present here a few rules which should be observed before studying the book: 1. Revelation is not a dark book. It is a revelation. 2. It is not necessary for one to understand all the symbols and details if he is to gain a deeper knowledge of the book as a whole. One need not be able to identify every tree in the forest to appreciate the beauty of the forest as a whole. 3. Observe the rule of literal interpretation. The greatest curse of the Christian Church is the evil of spiritualizing the Bible. Although there are many symbols and signs in the book, as in every other book and in our daily conversation, the context indicates whether a passage is to be interpreted literally or symbolically. Interpret literally, except where the context or grammatical structure clearly indicates that the reference is a symbol or a sign. 4. Approach the Book with a "fresh" mind. Try to forget the views you have held concerning the Book because others have

declared it to be mysterious and beyond our understanding. Thousands of believers never read Revelation, but carefully avoid it simply because someone told them it is a dark book and impossible to understand. Study the book for yourself. 5. Read the book prayerfully, realizing that the Holy Spirit who infallibly inspired the book is also the person Who must illuminate the book. Never read a portion of scripture without first asking Him for light and guidance. We submit for your help the following simple outline of Revelation. Remember these five rules as you study it. If you will memorize the outline thoroughly, and keep it clearly before your mind, you will have no trouble filling in the details. Grand Rapids, Michigan M. R. DeHaan

The Revelation of Jesus Christ Oct 29 2022 The book presents an accurate over-view of what God, by His Spirit, has been pleased to reveal to us of His future dealings with mankind, through our Lord Jesus Christ. Great care has been taken to make clear the difference between what is symbolic and what is actual in the fulfilment of God's judgments.

**The Revelation of Jesus Christ** Jun 20 2019 This book, The Revelation of Jesus Christ, has been written on each chapter of the book of Revelation. Each chapter is written in plain English, giving the reader understanding of the symbols in the chapter and the book of Revelation. Each symbol in the book of Revelation can be found throughout the Scriptures, thus giving us the meaning and understanding of each one. If the wrong meaning or understanding of each symbol is given, then the entire book of Revelation is misunderstood. Within the pages of this book, we find the battles and victories of God's church down through the ages of time. Therefore, we can see God's people and the spiritual battles that were won by conquering the enemy of their time. These same battles are taking place in many places today, but we will be able to understand that God has a people and has always had a people who will stand for truth and right. The book of Revelation is a misunderstood book and one often feared by many. But read with understanding, it can be blessing to God's people everywhere. This book, Revelation of Jesus Christ, was originally written and printed in Spanish. Because of the large demand, it has been translated into English.

**Revelation** Feb 09 2021 A study of the central themes of the theology of revelation, whereas other works often focus on the history of reflection on revelation.

**A View from Above** Oct 25 2019 A View from Above examines various ways in which Revelation has been interpreted. The (1) Partial Preterist believes that many images and prophecies were fulfilled in the events related to Jerusalem's destruction in A.D. 70, including Jesus' coming with the clouds of judgment. (2) Full- or Hyper-Preterists go so far as to claim that the destruction of A.D. 70 was the "fulfillment of all that has been written," so that ALL previously unfulfilled biblical prophecies were brought to fulfillment, including resurrection, rapture, final judgment, and Satan's consignment to the lake of fire. The (3) Church-Historical view understands that events which have unfolded throughout the church's history were prefigured or foretold in picturesque fashion. (4) Classic or Historic Premillennialism expects Jesus to return and establish an earthly kingdom of righteousness, peace, and prosperity. (5) Dispensational Premillennialism is probably the most recognized theory in North America; Jesus is expected to secretly remove his people from earth prior to a seven-year period of intense hardship and divine judgment on sin. A personal antichrist will emerge, only to be defeated in a climactic battle at Armageddon. The righteous will be resurrected to enjoy for 1,000 years the fulfillment of all God's promises to the Jews under the messianic rule of Jesus. After this period, a final onslaught of Satan will be overthrown and the wicked will be resurrected to face the final judgment. (6) Progressive Dispensationalism differs from the traditional version by saying that the church was anticipated in the Old Testament and fulfills in part many of its prophecies. Instead of seeing one salvation plan for Israel and another for the church, this view recognizes only one covenant. While traditional dispensationalists insist on a literal interpretation of Scripture wherever possible, progressives admit that the New Testament itself does not always handle Old Testament prophecies in that way. (7) Postmillennialism understands that with the ascension (enthronement) of Christ and the spread of the gospel, conditions on earth will progressively-though intermittently-

improve until this present world is largely Christianized. After this millennial period, Jesus will return to initiate final judgment and the eternal state. (8) Amillennialism holds that Revelation's 1,000 years picture either the present spiritual exaltation of believers or the present reign of deceased believers with Christ. Earthly conditions will continue to involve suffering and persecution of believers until Jesus returns and the day of resurrection occurs-to be followed immediately by judgment and its eternal results. (9) The Apocalyptic perspective, which may or may not be integrated with one of the foregoing positions, understands Revelation to be an example of an extinct literary style. A View from Above also examines how the early history of the church impacted the message of Revelation. It addresses theological concepts such as prophecy, God's kingdom, rapture, antichrist, and the new heaven and earth. Of particular importance are the practical issues to be learned and practiced in daily life.

The Book of The Last Days - The Revelation of Jesus Christ Sep 16 2021

The Revelation of Jesus Christ - The Book Of The Last Days is Is one biblical commentary of the The Book of Revelation. A faithful study the Scriptures written by Horatius Bonar (1808-1889). The Revelation of Jesus Christ, which God gave unto Him, to show unto His servants things which must shortly come to pass and He sent and signified it by His angel unto His servant John—who bore record of the Word of God, and of the testimony of Jesus Christ, and of all things that he saw. Blessed is he who reads, and those who hear the words of this prophecy, and keep those things which are written therein—for the time is at hand!

Revelation 1:1-3.

*A Study Guide for The Revelation of Jesus Christ* May 24 2022

THE SECOND COMING OF CHRIST - REV. 19:1-21 A. GENERAL - 1. Chapter 19 - brings to a close the Great Tribulation period (Daniel's 70th Week - Dan. 9:27) and ushers in the 2nd coming of Jesus Christ. 2. Christ promised he would come again (John 14:3). 40 days after his resurrection (Acts 1:3), Christ ascended into heaven from the Mount of Olives; just East of Jerusalem (Acts 1:9). Two angels told the apostles Jesus would return in like manner (Acts 1:11). In Rev. 19:11-16, Christ returns with

armies of saints and angels. 3. The prophecies of Zechariah will be fulfilled: "Thus says the Lord: I am returned to Zion and will dwell in the midst of Jerusalem..." (Zech. 8:3); "And his feet shall stand in that day upon the Mount of Olives, which is before Jerusalem on the East..." (Zech. 14:4). 4. In Chapter 19 - there are actually 2 scenes: 1 in heaven which is one of great joy and 1 on earth which is one of great judgment. B. JOY IN HEAVEN (REV. 19:1-10) - 1. SONGS OF THE SAINTS - REV. 19:1-6) - a. TIME SEQUENCE - (1) After this, I (John) heard - what sounded like the roar of a great multitude in heaven shouting: "Hallelujah - salvation - glory - power - belong to our God for true and just are his judgments - he has condemned the great prostitute (whore, KJV) - who corrupted the earth by her adulteries - he has avenged on her the blood of his servants!" (Rev. 19:1-2). NOTE: "After this" refers to the destruction of the apostate religious system in Rev. 17 and the corrupt commercial system in Rev. 18. In Rev. 18:20 the call to rejoice was issued; now we have the response to that call.

The Churches of Revelation Jan 08 2021 Every student of the Bible approaches the book of Revelation with a sense of awe as they attempt to fold the greatness of God within the mind of humanity. Many rush to examine the significant prophecies without adequately dealing with the introductory chapters. Exploring the beginning chapters of the Revelation of Jesus Christ with a modern application, Dr. David B. Bowers examines the initial communique given by our Lord to the Apostle John. The churches of Revelation within reflect not only the status of the true Christian church throughout history but also reveal significant elements of the church in modern times that must not be missed.

**The Revelation of Jesus Christ** Jul 14 2021 This book is a commentary on the Revelation of Jesus Christ from a totally Biblical perspective, stripped from all speculation about the end times. The Author is a pastor at the Reformed Bible Church in Southern California. The author was trained to be a self-studying Chemical Engineer; has held research positions at Ford Motor Company in Dearborn, Michigan, and at the

University of Southern California in Los Angeles, and at Avery Research Center in Pasadena, California. The Lord has allowed us to expand our services in having two weekly Bible Studies within the medium of "Skype", allowing conference calls with people in the USA and the UK and Australia.

[A Revelation of Jesus](#) May 12 2021 The book of Revelation pulls back the curtain to reveal the secrets of the past, present, and future, but nearly two thousand years after it was written it still seems to be shrouded in mystery. "A Revelation of Jesus" takes a fresh look at the familiar themes of Revelation such as the Four Horsemen of the Apocalypse, the mark of the beast, the battle of Armageddon, the Millennium, and many others, using the Bible itself as a guide to cut through the maze of confusion that so often surrounds these vital subjects. The last book of the Bible is not just a collection of enigmatic symbols and metaphors. Using symbolic language, it documents the cosmic struggle between good and evil that began with Satan's rebellion in heaven before the creation of the world. Author David Lackey seeks to unmask Satan's subtle deceptions and point readers to our Creator and Redeemer who will vanquish all evil and usher in a new existence characterized by love, joy, and peace. The purpose of this book is to unpack the prophecies of Revelation to reveal the beauty of Jesus so that in seeing Him more clearly we may fall in love with Him more than ever before and be ready for His soon return.

*Jesus Christ and His Revelation Revised and Updated* Aug 03 2020 Jesus Christ and His REVELATION is a revised and updated edition to my 2017 publication of the same title. The book presents a concise verse-by-verse study of the Apostle John's Revelation of Jesus Christ, i.e., the New Testament book of Revelation. Its purpose is to make the study of Revelation comprehensive but not complex, thorough yet easy to follow. Bible commentary, related subject lessons, charts and illustrations, and frequently asked questions (FAQ) taken from years of teaching combine to add redundancy and visual appeal to the study. The book is written to appeal to Bible students of all ages, young adults through seniors.

Review questions and up-to-date discussion questions are included at the end of each chapter for the purpose of personal reflection or to facilitate classroom discussion in group study settings.

**The Revelation of Jesus Christ** Mar 10 2021 This book is about the Lord Jesus Christ and who He really is. When we read the Bible, we should remember the principle: "The last revelation carries the greater weight." The final revelation of the Lord Jesus Christ to the last living of His disciples, the apostle John, a short time before the apostle John was also to expire, was a final word to His beloved disciple, containing the most important things for the life of the Christian church. And since the last revelation carries the greater weight, we should embrace these last messages of the Lord with great care and believe these words, even if they would upset well-established doctrines in the churches. Only the Lord Jesus Christ is worthy to be praised, and He is the only one who deserves the attention of this book.

**The End Times and Beyond** Aug 15 2021 I was asked recently why I decided to write this book when there are numerous "famous" authors on the subject? The question took me by surprise, but as I pondered my reasons, my response was two-fold: - I wanted to write a book that the general public (lay persons) could read with a high degree of comprehension, using word structure that is common in everyday language. - I wanted the book to lend itself to being used as the material for a detailed Bible study on the end-times. I am currently working on a journal to complement the book. As the reader works through the chapters of this book, he/she will discover: - how Daniel's prophecies predict the seven years of Tribulation. These prophecies serve as the backbone of this book; - why Christ chose the seven churches in chapters 2 and 3; - details about the rapture . . . when it will occur, who is involved""Don't be left behind; - details of the Judgment Seat of Christ; - details of the Four Horsemen of the Apocalypse; - description of the Seven Seals, Seven Trumpets, and Seven Bowls""when they occur, their devastation and purpose; - the Antichrist""discussed in detail; - details about the great revival during the first months of Tribulation; - who the two witnesses are and their purpose during the first half of Tribulation; -

details regarding the Marriage Supper of the Lamb; - fascinating details of the Glorious Appearing and Armageddon; - surprising revelations about Satan; - details of the Judgment of the Sheep and Goats and the Great White Throne Judgment; - fascinating details about the Millennial Reign of Christ; - how many Books of Life exist. Are there more than one? - a full discussion of the New Heaven and New Earth; - the author's "time line" of events that happened during the seven-year Tribulation Period and beyond.

**The Revelation of Jesus Christ** Apr 23 2022 What New Testament book bewilders most Christians? Of course, the book of Revelation. Many people ignore it because it seems unreal and unrelated to Christian living. Others see it as a fascinating enigma, and they propose a variety of schemes to answer every symbolic reference. While fully aware of the various theories of interpretation, Dr. Robbins is primarily concerned in this book with clarifying what the writer was trying to say to his original readers. He provides a practical exposition with little attention given to critical problems. He feels that the basic message is timeless, full of hope and promise in every age. Here is fresh, clear light on a book that has been shrouded by extreme and sometimes fanatic interpreters.

**The Errors of the Trinity** Feb 27 2020 Enzo began writing poetry at the age of 18, and he continued writing as he pursued different occupations and careers. The poems are largely drawn from his own experiences and or observations. Enzo rejects the notion of many modern poets who say that good' poetry shouldn't rhyme, and although some of his doesn't rhyme, he insists that a rhyming poem shows that the words are put together in a much more painstaking way. "Prose is words in their best order; Poetry is the best words in their best order." *A Layman's Look at the Revelation of Jesus Christ* Nov 06 2020 After studying the Revelation of Jesus Christ for several years I believe I have found the most truthful purpose of the Book, to show Jesus Christ as King of kings and Lord of lords.

### **The Second Revelation of Christ Jesus and the Seven Keys to Success**

Sep 28 2022 This book is the second revelation of Christ Jesus given to me through the Lord and an angel of the Lord named Crystal. It is my introduction to the people and the nations and fulfills the prophecies of the long-awaited prophet and descendant of King David and next in line to the throne. I however am not what the Jewish people expected. I was raised and am a Christian. In the near future, all God's people will see that I will fulfill all the prophecies in God's word as leader of the nations. This book is also about just some of the things that God is angry about, plus the answer to a lot of life's problems through the seven keys to success in life and how to live a longer, better, and more productive life using God's word and this revelation or simplified version of his Word. It is truly freedom from your addictions, mental, behavioral health, and criminal behavior problems. This is just the first book that I will be writing to the people and the nations as the Father, Son, and the Holy Spirit lead me in guiding the nations with the demands they have. They are trying to buy the world more time before the second coming of Christ.

*A Revelation of Jesus Christ* Dec 19 2021 In many respects this commentary is more than simply another book. It represents a lifetime of studying and lecturing on the book of Revelation by the late J.B. Smith. For many years he was in demand within his Christian fellowship to speak on this great book. One of his cherished hopes was to see the results of his labor sent forth in a commentary for the common man. This being his aim, studied effort was made to avoid the language of the scholar, yet at the same time Smith wanted to employ all the tools of Bible study. This commentary is an attempt to make plain the meaning of Revelation. With commendable reserve Dr. Smith has restricted himself largely to interpretation by other passages of Scripture which are related

to Revelation by actual quotation or by striking parallelism. His painstaking studies of vocabulary and of related ideas make the book valuable to the earnest student of the Bible. Dr. Smith is a futurist and a premillenarian, holding that all of the Book of Revelation beginning with the fourth chapter relates to the future period Of judgment known as "the great tribulation," which will be followed by the personal return of Christ and by the establishment of His kingdom. The distinguishing feature of this commentary is its use of biblical statistics and comparisons. The uses of important terms in the Revelation are cataloged, and their interpretation is derived from their context. The appendices contain some extensive studies of individual topics, correlating information not easily obtainable elsewhere. Dr. Smith follows a literal interpretation except where avowed symbolism demands a different procedure. He has sought to make his exposition consistent in method and in results. His use of Greek is apt, and shows a careful investigation of the underlying vocabulary of the Greek text. - Preface and Introduction.

**The Revelation of Jesus Christ** Apr 11 2021 "The testimony of Jesus is the spirit of prophecy" (Rev 19:10) and a prophetic perspective promotes purpose. Yet in a world swiftly growing callous, true purpose and meaning are fading. Many of Jesus' disciples today have "lost their first love," which is Jesus himself (Rev 2:4). And too many souls overall miss the wonder, inspiration, and comfort gained by those who would endeavor toward fuller comprehension of the book of Revelation: "Blessed are they who read and those who hear the words of this prophecy, and keep those things which are written in it; for the time is near" (Rev 1:3). Neglect of the Holy Spirit, slothfulness, fear, and the ongoing confusion generated by competing interpretations and bad theology are the primary obstacles between an individual and the liberation to be had by reading the last book of the Bible. We must not forget that while the apostle John wrote the book of Revelation, its author is Jesus Christ, and he is not an author of confusion but of peace (1 Cor 14:33). This commentary presents a practical, discipleship-based perspective toward following Jesus into the very heart of his Revelation.

So as the end of this clamorous age approaches, may we truly hear what the Spirit is saying to the churches!

**The Revelation of Jesus Christ in the Old Testament** Aug 27 2022

Christ: The Angel of God. Christ: The Battle Bow Christ: A Goodly Cedar Since the time that I accepted Jesus Christ as my Saviour in 1976, I have heard it said that He was the focus of the Bible. I have never doubted that. I have heard it said that Jesus Christ was the subject of each book of the Bible, including the Old Testament. I struggled with that, not because it was untrue, but because no one in my theological circle submitted proof that it was true. This book is proof that Jesus Christ can be found in each book of the Old Testament. Therefore, Jesus Christ is available to become the subject of any book of the Bible if we take this approach to the Scriptures. What is the benefit of this approach? The Lord Jesus Christ becomes more precious to our souls as we encounter the varied facets of His Person. That should be enough, but now we can gain new insights into the Godhead and the inspired Word of God. This approach provides a fresh reason to study the Bible and a new direction in sermon and lesson preparation. Personal and family devotions are given new life in Christ. A fresh breeze blows across the pages of the Old Testament. The book is arranged for ease of use. Section One contains all the designations of Christ arranged alphabetically. Section Two contains all the physical aspects of Christ arranged alphabetically. Section Three is arranged by the mentions of Christ in each book of the Old Testament. Do you have your Bible? Do you have this book? Begin your journey seeking for ..".the unsearchable riches of Christ.

*Blessed Is He That Watches* Jun 13 2021 Behold, I come as a thief. Blessed is he that Watches, and keepeth his garments, lest he walk naked, and they see his shame. —Revelation 16:15 Jesus Christ warns us to watch, to be in readiness for his coming, whenever it occurs it would be at a time when people were not expecting Him. Only God knows the time, not even the saints or angels in heaven know the time, we must always be prepared. Christ used nakedness as a symbol of unrighteousness and not being prepared. He counseled the Church of

Laodicea to buy from Him "white garments, that you may be clothed, that the shame of your nakedness [unrighteous acts] may not be revealed" (Revelation 3:18). Jesus encourages us to watch world events and ourselves to make sure we are always ready.

**The Revelation of Jesus Christ** Apr 30 2020 The book of Revelation is a book that contains the revelation of Jesus Christ, which God gave to him for one specific purpose. What is that? To show unto his servant John things which must shortly come to pass. Revelation, despite what many people believe or say, is not the revelation of John. The Word tells us point blank that the book of Revelation is the revelation of Jesus Christ. John was only the vessel that Jesus used to write the warning to the churches and to the saints of what the future holds for the world. Jesus is coming back. The scripture says that He is coming with clouds, every eye shall see Him, and all the people of the earth shall wail. Jesus tells us

who He is: the Alpha and Omega, the beginning and the end, the Almighty.

**Digging Deep Into the Revelation of Jesus Christ** Jul 22 2019 The purpose of this guide is to promote learning, discussion, and blessing. The greatest benefit of the layout is that the reader has four columns side by side to enhance ease of understanding and use time more effectively. Following the design of a parallel Bible, with four columns side by side, the Revelation Chapter is the left-most column. In column #2 is the commentary on that Chapter with references to other verses and passages. To save the reader from searching for reference Books and verses, those Scriptures are printed in column #3 on the side-facing page. Column #4 consists of the commentary for the reference verses.

**Revelation of Jesus Christ** Dec 07 2020 A new and transforming approach to the Book of Revelation. Margaret Barker bases her study on a fresh reading of the primary sources. As an Old Testament scholar, she can read Revelation as Hebrew prophecy - ancient temple oracles which inspired Jesus and his own prophecies, and influenced the whole Jerusalem Church. Jerusalem was waiting for their Great High Priest to return and complete the Atonement at the end of the Tenth Jubilee. This expectation fuelled the revolt against Rome. Josephus, who deserted to Rome, was the false prophet. John, who escaped to Patmos, compiled Revelation as a record of the first generation. In the future, he taught, the Lord would return to his people in the Eucharist. This work illuminates the formative years of Christianity, in the social, religious and political situation of mid-first-century Palestine, in a quite remarkable way. It will have profound implications for the understanding of Christian origins and the development of Christian liturgy.

*The Revelation of Jesus Christ* Aug 23 2019 Interpreting Revelation . . . in its Proper Context Too often the Western Church views Scripture from a Greek Mind-set within the context of a Hellenized society. The Church

follows a pagan, Roman solar calendar which fashions a linear, compartmentalized interpretation of the Bible-especially the Book of Revelation. Contrary to this modernist approach, the prophets and writers of the New Testament wrote the Scriptures under the inspiration of the Holy Spirit from a Hebrew cultural context. The authors lived in accordance with the Torah and the lunar Hebrew calendar. The Hebrew historical view is cyclical and the Hebrew Mind-set encompasses a complete lifestyle. The Hebrew and Greek Mind-sets differ in practice. The Hebrew is concerned with action, the Greek with knowledge. Right conduct is the ultimate concern of the Hebrew, right thinking that of the Greek. This distinction is critical because it affects how the Book of Revelation is interpreted. The end-time chronology of the Book of Revelation is not a strict linear account as is often viewed from the Hellenistic Mind-set. Through a Hebrew narrative of spiraling pictures, Revelation gives an overview of the Apocalypse followed by specific details which unveil the future of the nation of Israel, unbelievers and the body of Messiah. The Revelation of Jesus Christ is a unique, verse-by-verse account of the Book of Revelation viewed from a Hebraic Mind-set.

The Apocalypse Jun 01 2020 From the Introduction: The work that follows is not intended to be a commentary on the Apocalypse. There have been many such commentaries, reaching back into the earliest times of the Christian era. Some, especially during the Middle Ages, have been quite spectacular in their ingeniousness. Our modern era has seen a series of fine commentaries, applying all the criteria of a historical-philological analysis to this difficult book. . . . What I have attempted to do here is to provide a continuous reading of the text, trying to show, especially through the links which can be made with the Old Testament tradition, the coherent and unified argument of the whole work. . . . The reader will find that, despite my admiration for and debt to the older commentaries, I have introduced something quite new to the interpretation of the Apocalypse.

Apocalypse 2016 Jul 26 2022 In 1999, the author went to the island of Patmos, where she received extraordinary insight about the Book of Revelation. This book is the result of those days along with 12 years of research in the Word of God, and the understanding of the prophetic dimensions of Heaven. During that time the Holy Spirit has refined and developed much of her experience into an eye opening change from conventional interpretations of this book. The prophetic treasure Jesus revealed to John has been clouded by fear. The book of Revelation is alive and must be discerned from one's spirit. It is the revelation of Jesus

Christ, not the world's destruction. The apocalypse was written from Heaven, where there is no time and whose language and thoughts are higher than ours. This is the manual of the kingdom that Jesus Himself left for us to be taught on how to reign with Him here and now. This is a crucial time for the prophets to speak about this book. God is blessing those who break free from preconceived ideas and concepts. All reformations begin with a new light in order to change future generations on the Earth. "Every responsible leader in God's house must, not only read this book, but also study, inquire, and analyze it." Apostle Rony Chaves "The church that goes after a reformation needs to reconsider what it believes, and "why" it believes what it says to believe. Certainly, the book of revelation is one of the most misunderstood among the modern church. We need a new exegesis of this precious material." Apostle Fernando Orihuela
