[Adobe Creative Suite 6 Production Premium Classroom in a Book](#) May 29 2022 Those creative professionals seeking the fastest, easiest, most comprehensive way to learn Adobe Creative Suite CS6 Production Premium choose Adobe Creative Suite CS6 Production Premium Classroom in a Book from the Adobe Creative Team at Adobe Press. (From planning to playback, this book covers it all! With focused attention on the workflow and integration between the components of Production Premium, readers

will learn to take their project from concept all the way through the production and post-production pipelines using all the tools necessary. Chapters cover planning and organizing projects, editing in Premiere Pro, creating motion graphics and visual effects using After Effects, working with audio, color correcting in SpeedGrade (a new product in the suite), finishing and rendering compositions, and authoring for DVDs, Blu-ray Discs, and the Web. Readers will also discover how easy it is to use Adobe Media Encoder and Dynamic Link across the suite for easy-to-manage workflow processes as well. The companion DVD includes lesson files so readers can work step-by-step along with the book. "The Classroom in a Book series is by far the best training material on the market. Everything you need to master the software is included: clear explanations of each lesson, step-by-step instructions, and the project files for the students." -Barbara Binder, Adobe Certified Instructor, Rocky Mountain Training Classroom in a Book®, the best-selling series of hands-on software training workbooks, helps you learn the features of Adobe software quickly and easily. Classroom in a Book offers what no other book or training program does—an official training series from Adobe Systems Incorporated, developed with the support of Adobe product experts. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in

the last few pages of your eBook that directs you to the media files. Helpful tips: If you are able to search the book, search for "Where are the lesson files?" Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.
