The Old World on Desire Lines Jan 13 2021 Using both poetry and prose, author Joachim Matschoss exposes truths that turn tiny moments into revelations. He finds appreciation as he uncovers profound insights in common life experiences. Meet the variety of people that he encounters as he treks through Europe and Australia, and the discoveries he makes as a result. This literary journal is no ordinary account of the author's travels. Poetry and snippets of prose stand next to short stories about the everyday moments, the little idiosyncrasies, the people you meet on the road. Matschoss writes with the meditative attention that is needed when visiting places that seem foreign, but were once home, and in a way still are. - Lukas Drihy, poet/writer The most distinctive feature in Matschoss' new poems are their beautiful clarity and the sense of stillness. - Campbell Connors, poet/writer Joachim Matschoss is an accomplished teacher of theatre, and also writes plays and poetry.

Graphic Novels Feb 23 2022 The first of its kind, this annotated guide describes and evaluates more than 400 works in English. Rothschild's lively annotations discuss important features of each work-including the quality of the graphics, characterizations, dialogue, and the appropriate audience-and introduces

mainstream readers to the variety and quality of graphic novels, helps them distinguish between classics and hackwork, and alerts experienced readers to material they may not have discovered. Designed for individuals who need information about graphic novels and for those interested in acquiring them, this book will especially appeal to librarians, booksellers, bookstore owners, educators working with teen and reluctant readers, as well as to readers interested in this genre.

Moneyland Apr 15 2021 A SUNDAY TIMES BESTSELLER PRESENTER OF THE BBC RADIO 4 SERIES 'HOW TO STEAL A TRILLION' SHORTLISTED FOR THE ORWELL PRIZE 2019 SUNDAY TIMES BUSINESS BOOK OF THE YEAR AN ECONOMIST POLITICS AND CURRENT AFFAIRS BOOK OF THE YEAR A DAILY MAIL AND TIMES BOOK OF THE YEAR 'You cannot understand power, wealth and poverty without knowing about Moneyland.' Simon Kuper, New Statesman 2019: democracy is eating itself, inequality is skyrocketing, the system is breaking apart. Why? Because in 1962, some bankers in London had an idea that changed the world. That idea was called 'offshore'. It meant that, for the first time, thieves could dream big. They could take everything. Join investigative journalist Oliver Bullough on a journey into the hidden world of the new global kleptocrats. See the poor countries where public money is stolen and the rich ones where it is laundered and invested. Watch the crooks at work and at play, and meet their respectable, white-collar enablers. Learn how the new system works and begin to see how we can tackle it.

Classics and Comics Jun 17 2021 Since at least 1939, when daily-strip caveman Alley Oop time-traveled to the Trojan War, comics have been drawing (on) material from Greek and Roman myth, literature and history. At times the connection is cosmetic-as perhaps with Wonder Woman's Amazonian heritage-and at times it is almost irrelevant-as with Hercules' starfaring adventures in the 1982 Marvel miniseries. But all of these make implicit or explicit claims about the place of classics in modern literary culture. Classics and Comics is the first book to explore the engagement of classics with the epitome of modern popular literature, the comic book. This volume collects sixteen articles, all specially commissioned for this volume, that look at how classical content is deployed in comics and reconfigured for a modern audience. It opens with a detailed historical introduction surveying the role of classical material in comics since the 1930s. Subsequent chapters cover a broad range of topics, including the incorporation of modern theories of myth into the creation and interpretation of comic books, the appropriation of characters from classical literature and myth, and the reconfiguration of motif into a modern literary medium. Among the well-known comics considered in the collection are Frank Miller's 300 and Sin City, DC Comics' Wonder Woman, Jack Kirby's The Eternals, Neil Gaiman's Sandman, and examples of Japanese manga. The volume also includes an original 12-page "comics-essay," drawn and written by Eisner Award-winning Eric Shanower, creator of the graphic novel series Age of Bronze.

Sunflowers Jul 19 2021 From iconic paintings by Vincent van Gogh to their much-spat seeds at baseball games, the massive, golden blossoms of sunflowers have become a part of our literary and visual cultures and daily lives, inspiring artists and poets and used by advertisers to promote countless products. But sunflowers are only the most recognizable members of the world's largest family of plants, Asteraceae, which includes lettuce, chrysanthemums, asters, dahlias, and weeds. And in this book, Stephen A. Harris unearths the extraordinary history of this entire sunflower bouquet. Unraveling the interplay between human cultures and the biology of these spectacular blooms over the last six thousand years, *Sunflowers* explores our persistent fascination with this family and how our uses of the plants have changed over millennia. Found in almost all habitats, from the driest deserts and tallest mountains to grasslands and urban wastelands, the sunflower family includes more than 32,000 species. It produces hugely popular and economically valuable ornamental flowers, as well as familiar flavorings such as tarragon and artemesia, and its members are also used in the production of antimalarial drugs, artificial sweeteners, insecticide, and fish poisons. Illustrated with many rarely seen images of the sunflower family, this beautiful volume sheds surprising new light on these familiar, sunniest of flowers.

Comics in French Dec 24 2021 Whereas in English-speaking countries comics are for children or adults "who should know better," in France and Belgium the form is recognized as the "ninth art" and follows in the path of poetry, architecture, painting, and cinema. The bande dessinée [comic strip] has its own national institutions, regularly obtains front-page coverage, and has received the accolades of statesmen from De Gaulle onwards. On the way to providing a comprehensive introduction to the most francophone of cultural phenomena, this book will consider national specificity as relevant to an anglophone reader, whilst exploring related issues such as text/image expression, historical precedents, and sociological implication. To do so it will present and analyse priceless manuscripts, a Franco-American rodent, Nazi propaganda, a museum-piece urinal, intellectual gay porn and a prehistoric warrior who's really Zinedine Zidane.

Antiquity in Popular Literature and Culture Aug 20 2021 Spiritus flat ubi vult academicus. It seems evident that the study of antiquity and the study of antiquity's persistence will continue to be distributed ubique terrarum. This pleasing circumstance was exemplified in January 2014, at the Adam Mickiewicz University in Poznań, an institution named after Poland's influential nineteenth-century epic and lyric poet. As part of an ongoing series of such academic meetings, the university hosted the Seventh International Conference on Fantasy and Wonder. Its topic was Antiquity in Popular Literature and Culture. Several of the papers given in Poznań appear in this volume in revised form. They demonstrate the continuing presence of the past, or, to put it slightly differently, the importance of the past in the present and, by extension, for the future.

Son of Classics and Comics Jan 25 2022 Wonder Woman. Asterix the Gaul. Watchmen. These popular comics, and many others, use classical sources, narrative patterns, and references to enrich their imaginative worlds and deepen the stories they present. This volume explores that rich interaction. Son of Classics and Comics presents thirteen original studies of representations of the ancient world in the medium of comics. Building on the foundation established by their groundbreaking Classics and Comics (2011), George Kovacs and C. W. Marshall have gathered a wide range of essays with a new, global perspective. Chapters are helpfully grouped to facilitate classroom use, with sections on receptions of Homer, on manga, on Asterix, and on the sense of a "classic" in the modern world. All Greek and Latin passages are translated. Lavishly illustrated, the volume significantly widens the range of available studies on the reception of the Greek and Roman worlds in comics, and deepens our understanding of comics as a literary medium. Son of Classics and Comics will appeal to students and scholars of classical reception as well as comics fans.

Lotharingia May 17 2021 Following Germania and Danubia, the third installment in Simon Winder's personal history of Europe In 843 AD, the three surviving grandsons of the great emperor Charlemagne met at Verdun. After years of bitter squabbles over who would inherit the family land, they finally decided to divide the territory and go their separate ways. In a moment of staggering significance, one grandson inherited the area we now know as France, another Germany and the third received the piece in between: Lotharingia. Lotharingia is a history of in-between Europe. It is the story of a place between places. In this beguiling, hilarious and compelling book, Simon Winder retraces the various powers that have tried to overtake the land that stretches from the mouth of the Rhine to the Alps and the might of the peoples who have lived there for centuries.
