Italian-Albanian Dictionary 6300 Words

Jun 29 2022 Italian Albanian dictionary fjalor Italisht Shqip

Vocabolario Italiano Albanese Most of us use around 2,000 words/year, and not more than 200 words/day.

With this 6,300-word dictionary you can easily satisfy any daily needs to communicate in Italian. Italian speaking people can use this dictionary as well, to find terms and words in Albanian. Albanian families, that plan to travel in Italy for business or vacation, can use this Dictionary.

Viktimë e pallogaritur Mar 27 2022 Kjo është historia e viktimave të tjera të pushtimit gjerman në Francë, historia e nënës sime, e cila u nda nga familja e saj dhe u arratis, dhe torturat që mbetën me të përgjithmonë. Këto janë kujtimet, siç m'i ka treguar nëna ime. Jam përpjekur ta tregoj historinë e saj me aq përpikmëri sa ma tregoi ajo, duke i renditur ditaret e shkruara, së bashku me anekdota të ndryshme që plotësuan dhe u dhanë shije historive gjatë jetës sime, pa zbulurime, duke ndërfutur interpretimet e mia të ngjarjeve. Ky nuk është një roman ankthi, ndonëse ngjarjet e treguara këtu sigurisht që ishin ankth për ata që i përjetuan. Pa dyshim që ato më dukeshin të ankthshme ndërsa i dëgjoja dhe i lexoja. Kështu që, për të shmangur sikletin për këdo që lexon këto fjalë, kam zgjedhur të përdor pseudonime sipas rastit, ndërsa përpikësha të mbaja të pandryshuar thelbin e historisë. Nëna ime ishte franceze dhe, herë pas here, disa fjalë dhe fraza frëngjisht shfaqen në të gjithë tekstin. Kam përfshirë përkthime kudo që është e përshtatshme. Gjithashtu, ajo jetoi dhe studioi në Itali para se të transferohej në Izrael dhe, përfundimisht, në Shtetet e Bashkuara. E thënë sërish, aty ku fjalët dhe frazat përfshihen në ato gjuhë, kam përfshirë përkthime me sa kam pasur mundësi. PUBLISHER: TEKTIME

Iscontour 2022 Tourism Research Perspectives Jul 07 2020 The International Student Conference in Tourism

Research (ISCONTOUR) offers students a unique platform to present their research and establish a mutual knowledge transfer forum for attendees from academia, industry, government and other organisations. The annual conference, which is jointly organized by the IMC University of Applied Sciences Krems and the Management Center Innsbruck, takes place alternatively at the locations Krems and Innsbruck. The conference research chairs are Prof. (FH) Mag. Christian Maurer (University of Applied Sciences Krems) and Prof. (FH) Mag. Hubert Siller (Management Center Innsbruck). The target audience include international bachelor, master and PhD students, graduates, lecturers and professors from the field of tourism and leisure management as well as businesses and anyone interested in cutting-edge research of the conference topic areas. The proceedings of the 9th International Student Conference in Tourism Research include a wide variety of research topics, ranging from consumer behaviour, tourist experience, information and communication technologies, marketing, destination management, and sustainable tourism management.

Qëndrimi i diplomacisë italiane ndaj Shqipërisë dhe shqiptarëve (1930-1941)

Jan 31 2020

Fjalor enciklopedik shqiptar: A-Gj Apr 15 2021

Shkodra May 17 2021 This book offers a wide-range perspective covering demographic, family, urban and social transformations of the Albanian city of Shkodra during the interwar period. The topics discussed in the book are also related to the so-called process of 'modernisation' and 'westernisation' of a newly created state of Albania (1912). They include demography, census data, family structure, marriage patterns as well as cityscape and spatial layout and urban life. It gives insights into Shkodra's urban transformation, how the urban pattern differed from the Ottoman model, and the question of its continuity.

Studime historike Sep 28 2019

Five Albanian Villages May 05 2020 This book is the result of a research project designed and carried out at the Department of Architecture, University of Florence. This research was based on the transfer of knowledge from members of the Albanian Diaspora in Italy (university students, young architects and researchers) to their home country. This unique process blazed a trail in the Albania-related studies by creating a methodology, which could be replicated not only in Albanian rural contexts, but also elsewhere. The book constitutes a structured tool for generating sustainable and socially inclusive territorial development processes in five lesser-known Albanian cultural sites. Their tangible and intangible cultural heritage was seen as a driving factor for triggering development processes aimed at improving the inhabitants' quality of life and strengthening local identity and social networks. Through concrete proposals and strategies, the book offers scenarios and solutions capable of enhancing the potential of each village and, at the same time, counteracting the effects of land abandonment that so often characterise them.
