Eating Disorders: The Facts Jul 31 2022 Eating Disorders: The Facts is a comprehensive and accessible guide to the major eating disorders namely anorexia nervosa, anorexia nervosa not for weight or shape, exercise disorder, bulimia nervosa, purging disorder, rumination disorder, binge eating disorder and atypical. Sympathetically and clearly written, this guide considers why eating disorders occur, and then looks at each in turn, describing the eating behaviours, diagnosis, and treatments available. The opening chapters tackle adolescent eating behaviours and infertility, pregnancy and the postpartum period. Case histories and patient perspectives provide insights into the mind of the eating disorder sufferer, making it easier for patients and their families to relate to the topics discussed. Revised and updated new topics include contribution of epigenetics (in utero contribution), attachment in perinatal and early years, and the negative and positive impact of the internet and social media. Eating Disorders: The Facts provides an authoritative resource on eating disorders that will prove valuable for sufferers and their families.

Mensenkennis voor beginners Oct 22 2021 Mentalisten weten het al eeuwenlang: mensen zijn voorspelbaar. Timon Krause neemt je mee op een reis door de mysterieuze methode van cold reading: de kunst om, schijnbaar uit het niets, alles over de onbekende persoon tegenover je te weten te komen. Zo leer je hoe je op een heel natuurlijke manier het vertrouwen kunt winnen van mensen, zowel in je persoonlijke als in je professionele leven. Tussendoor deelt hij zijn persoonlijke, leuke spannende én vreemde ervaringen als mentalist. 'Cold reading leert ons drie dingen: hoe we een gevoel van empathie kunnen creëren bij onze gesprekspartners, hoe we onszelf en onze medemens beter kunnen leren begrijpen en dat wij mensen allemaal hetzelfde zijn.' Timon Krause

Knowing the Facts about Angels Nov 03 2022 Angels make one of the most intriguing subjects one could study. According to the Bible, angels have helped to shape the course of human history & continue to do so today. Consider the fallen angel in the Garden of Eden who slyly engineered the moral fall of the entire

human race (Genesis 3). There have been thousands of angelic encounters throughout history—good & evil—in the lives of ordinary and famous individuals. The word "angel" appears some 300 times in 24 books of the Bible (not including the synonyms used for angels). As people are searching for answers & meaning to life, angels are thought to play a vital role in providing those answers. This book gives important information on how to tell the difference between the good and the bad angels.

Challenging Coaching Jul 19 2021 Challenging Coaching is a real-world, timely and provocative book which provides a wake-up call to move beyond the limitations of traditional coaching. Based on the authors' extensive experience working at board and management levels, they suggest that for far too long coaching approaches have shied away from adopting a more challenging stance – a stance that can provoke greater performance and unlock deeper potential in business leaders and their teams. The authors detail their unique FACTS coaching model, which provides a practical and pragmatic approach focusing on Feedback, Accountability, Courageous goals, Tension and Systems thinking. The authors explore FACTS coaching in theory and in practice using case studies, example dialogues and practical exercises so that the reader will be able to successfully challenge others using respectful yet direct techniques. This is an original and thought-provoking book that dares the reader to go beyond traditional coaching and face the FACTS.

Rational Praise and Natural Lamentation Nov 30 2019 The first section of this work is concerned chiefly with the cognitive and interpretive inadequacies of a distinct type of critical reasoning, reflected in several recent studies of Samuel Johnson. The second focuses primarily on the coherent body of principles and assumptions governing his practical judgments.

The Facts of Life Nov 10 2020 Winner of the 2003 World Fantasy Award Graham Joyce chronicles a haunting, war-torn terrain in this heartrending novel of one family's quest to begin again -- without forgetting the lives they left behind. The Facts of Life Set in Coventry, England, during and immediately after World War II, The Facts of Life revolves around the early years of Frank Arthur Vine, the illegitimate son of young, free-spirited Cassie and an American GI. Because Cassie is too unreliable and unstable to act as his proper guardian -- and is prone to blue periods in which she wanders off without warning or recollection -- Frank is brought up in the care of his strong-willed, stout-drinking grandmother, Martha Vine, who has, among other homemaking talents, the untoward ability to communicate with the dead. So begins the first decade of Frank's life, one in which ghosts have a place at the table and divine order dictates the outcome of his days. Along the way there are brief stays with each of his six eccentric aunts, visits to the local mortuary, and voices inside of his own head that suggest that he, too, has the gift of supernatural intuition. An affecting tale of family and history, war and peace, love and madness, The Facts of Life will leave readers spellbound with its resounding expression of magic realism.

Whether readers are merely curious or searching for specific information, "The Facts on Islam" will give them what they are looking for--easy-to-understand, factual, and relevant information about Islam.

Chicken Fact Or Chicken Poop Jun 25 2019 Chicken Fact or Chicken Poop is a science-rooted, fact-based, and study-reinforced manual designed to help you weed through the facts and fictions about your flock. Chicken keepers have access to more information than ever these days, which makes it harder than ever to determine whether what you're reading is a chicken fact or just plain chicken poop. A seemingly reputable blog may tell you one thing while a magazine could say the complete opposite! A farmer may give some homespun wisdom that another may say is complete phooey. This is where Andy Schneider, the Chicken Whisperer, comes in. Schneider has assembled a team of leading chicken experts to help you sort through common facts and fictions about how to keep your flock happy and healthy. Chicken Fact or Chicken Poop covers topics including nutrition, trauma, parasites, medication, predators, and human health. This go-to reference gives you more of everything you need to know, and didn't know you needed to know, about backyard and urban chickens.
