The general public often views early childhood education as either simply "babysitting" or as preparation for later learning. Of course, both viewpoints are simplistic. Deep understanding of child development, best educational practices based on development, emergent curriculum, cultural competence and applications of family systems are necessary for high-quality early education. Highly effective early childhood education is rare in that it requires collaboration and transitions among a variety of systems for children from birth through eight years of age. The SAGE Encyclopedia of Contemporary Early Childhood Education presents in three comprehensive volumes

Doctor Haydock, the resident GP of St. Mary Mead, hopes to cheer up Miss Marple as she recovers from the flu with a little story. The tale revolves around the return of the prodigal son of Major Laxton, the devilishly handsome Harry Laxton. Harry, after leading a life of childish indiscretions and falling head over heels for the village tobacconist's daughter, has made good and returned to lay claim to his tumbling childhood home and introduce the village to his beautiful new wife. But, the villagers are prone to gossip about young Harry's past, and one person in particular cannot forgive him for tearing down the old house. Will Miss Marple's acumen be up to the
