Ashes of Rose  
May 29 2022 The honest and compelling story of a young girl's newfound independence, from her entrance into a new country to her frightening involvement in the Triangle Shirtwaist Factory Fire of 1911. My heart filled with fear and hope at the same time. I had thought that I was brought to America for a purpose. Something important would happen to me here. I remembered the words of the poem, "Give me your tired, your poor, your huddled masses . . . these are the new ones we are, America," I whispered. "We're just exactly what you ordered." When she arrives on Ellis Island as a seventeen-year-old Irish immigrant, Rose Nolan is looking for a land of opportunity, but what she finds is far from all she'd dreamed. Stubborn and tenacious, she refuses to give up. Alone to fend for herself and her younger sister, Rose is thrust into a hard-knock life of tenement and factory work. When the devastating Triangle Shirtwaist Factory Fire of 1911 rushes into her life, her confusions are brought to an all-too-painful head. To whom and to what can she turn? Everything around her is in ashes?

A Rose for Major Flint Mar 27 2022 "'I fight dirty, I kill for a living and I'm not capable of being faithful.' The words might come straight from Major Adam Flint's mouth, but they certainly do describe the man who saved vulnerable Rose's life. Yes, Flint is illegitimate, a roughened soldier, an incorrigible rake--but Rose has never met a man so defined by honor. Who else, when faced with a lady rendered memoryless by the traumas of war, would resist the intense attraction that built between them? Rose might not know her own name, but she knows her heart--and her heart belongs to Flint!"--P. [4] of cover.

Galveston Rose Aug 27 2019 Galveston Rose tells the story of the end-of-life struggles of Rose Parrish. Confronted with failing health, a growing feeling of uselessness, and a longing to belong, Rose creates an unusual "family" out of the disparate people who come into her life after a bout with pneumonia. The "Captain," is her longtime friend and financial advisor but is not quite the respectable citizen their Galveston community believes. Medical student Jessie Martin first encounters Rose on a trip to the emergency room, when he is only pretending to be a doctor. He subsequently rents an apartment in Rose's mansion, and eyebrows are raised. Dooley Thomas is searching for his own family while conducting rescue experiments with dolphins stranded off the coast of Galveston Island. Rose influences these and a host of other characters with her unique personality: alternately bossy and kindly, but always smart, funny, and generous. The "Captain," Jessie, Dooley, and the others all find ways to be reconciled with their lives, with Rose somehow at the center. As Rose enchants her newly-created family, her decisions are tempered by a new-found interest, the development of a high-end nightclub in what is reputed to be pirate Jean Lafitte's Galveston home. Together, Rose and the "Captain" devotedly recreate the bygone elegance of Galveston's glory days, and the party to celebrate the grand opening of Maison Rouge is a magnificent, not meteorological, success.

The Odyssey of Danny Helm Oct 10 2020 Danny Helm was thirteen in the eighteen fifties. His

mother died. His brother John mistreated him which was overlooked and called him Miss Puss. Danny did the house work. John took the balloon payment for the hillside farm in the Ozark Mountains and went to California and bought a goldmine. After a few years his father headed to California. The neighbor lady who had home schooled Danny and whose husband had died accompanied them. Danny was abandoned on a ranch in New Mexico where the owners had been murdered. Some wounded troopers took refuge in the barn. Danny removed bullets from them. The Commanding officer of Fort Summer asked Danny to field test a repeating rifle. Danny operated on some Tesuque Indians and was made a Tesuque. He met Becky Summer. She fell in love with him. He went back east to buy a donkey to start raising mules. He was wounded by Abolitionist soldiers in Fort Larned. Becky went to bring him home and he confessed he loved her. She planned the wedding. John said that their father had been killed in a mine cave in. Danny and Becky went to California on their honeymoon, to give his father a proper burial. They found his paralyzed father tended to by a Russian. They hit the mother lode and became rich. They returned to the ranch. Danny was conscripted by the Pike Peakers as a surgeon. He was captured by the Southern Army at the battle of Glorieta Pass. He was left to die. When he was found he had lost his memory. He was summoned to Washington by President Lincoln to receive the Medal of Honor and the Presidential Medal. Becky took him to his old house and he recovered his memory. They went back home.

Grammatical Analyses in Basque and Romance Linguistics<sup>32</sup> 2020 This volume contains fifteen articles on current theoretical issues in Basque and Romance linguistics. Even though Basque and Romance languages are typologically different and have different genetic origins, one thousand years of coexistence have shown certain parallelisms in their respective grammars. It is Marica Saltarelli that first offered a formal linguistic account of phonological and syntactic phenomena

occur in these two language groups. Thus, this compilation of articles in both Basque and Romance linguistics not only pays tribute to Saltarelli's work by acknowledging his formalization of this relational insight, but also comprises state-of-the-art research on languages with strong geographic and historical kinship. Fifteen reviewed articles written by sixteen top scholars in the field provide fresh analyses of long-standing challenging phenomena in Romance and Basque linguistics such as geminates, the evolution of Basque plosives, clitic doubling, clitic clustering, directionality of cliticization, the role of agreement, focus, the interaction of voice and aspect, unaccusativity, semantic interpretation and syntactic structure of Determiner Phrases, obviation, control, and anaphoric pronominal binding. This variety of topics however is unified by limiting the contributions to the major formal areas of linguistics, and to one single framework, Generative Grammar, although some of its many incarnations such as Minimalism, Optimality Theory, and Relational Grammar. This, along with the number of languages covered by the authors (Aragonese, Basque, Catalan, French, Galician, Gascon, Italian and many of its dialects (Ligurian, Piedmontese, Tuscan...), Classical and Late Latin, Occitan, Brazilian and European Portuguese, Romanian, Old and Modern Spanish among others), makes the book of great value to any linguist working in Romance or Basque linguistics.

Chasing the Rose Oct 29 2019 From the author of the best-selling *A Venetian Affair*, here is this charming chronicle of his search for the identity of a mysterious old rose. Andrea di Robilant's takes us back to the time of Josephine Bonaparte, as well as into some of the most delightful gardens in Italy today, brought to colorful life on the page in the watercolors of artist Nina F. In his 2008 biography of the Venetian lady Lucia Mocenigo (his great-great-great-great-grandfather di Robilant described a pink rose that grows wild on the family's former country estate, mentioning its light peach-and-raspberry scent. This passing detail led to an invitation for an audience with local rose doyenne, Eleonora Garlant. She and other experts wondered if di Robilant's unnamed rose could possibly be one of the long-lost China varieties that nineteenth-century Europe grew and cultivated but which have since disappeared. On the hunt for the identity of his anonymous yet distinctive rose, Di Robilant finds himself captivated by roseophiles through time—from Lucia to her friend Josephine Bonaparte to the gifted Eleonora, whose garden of nearly fifteen hundred varieties of old roses is one of the most significant in Europe—and by the roses themselves, each of which has a tale to tell. What starts out as a lighthearted quest becomes a meaningful journey. Di Robilant contemplates the enduring beauty of what is passed down to us in a rose, through the generosity of nature and the cultivating hand of human beings, who for centuries have embraced and extended the life of this mysterious flower.
