Wingspan Apr 27 2022 Jenn Klein was raised in the human world unaware of her gryphon heritage or the legacy before her. Devastated by the death of her twin brother, she makes the uncharacteristic decision to find emotional connection with a stranger, a man she knows only as Talon in the cave-like sleeper cab of his rig. But no sooner is she introduced to the gryphon world they're meant to share than she's violently taken and forced to fight, delicately balancing the human world she knows with the world of the gryphons. Born and reared a proud warrior, Talon's life takes the turn of most male gryphons; that of a rogue, existing in both the human world and on the fringes of his adopted Rocky Mountain eyrie. After proving himself to the beautiful but emotionally damaged rogue female in his truck they part ways. He's haunted

by her presence in his heart until they're reunited in his eyrie. When she's torn from his arms he'll stop at nothing to have the woman he now calls Shadow returned to his side. Taken on the Wing Boxed Set, Books 1 and 2 May 29 2022 Boxed set includes both full length gryphon shifter novels, Wingspan and Skyfall. Success will get her back in Sky's good books but accepting Soar as her working partner will either heal her broken heart or ruin it completely. Master Soar walked out of Cloud's life when her departure to the ranger program was inevitable. She was motivated, beautiful and too young to tie herself to someone like him. As much as it hurt, it was better to let her go. But when the Calgary eyrie is at the centre of a conspiracy to destroy his own, he's forced to play every card he has, including Cloud. When Cloud shuts him out and starts to operate on her own he has no choice but to go in after her, risking the entire mission to get the gryphon he loves out alive.

XGift Jun 17 2021 XGift By: Oramary This book is about human uniqueness, oneness, resolve, cunning, and sacrifice; characteristics needed to successfully preserve our way of life, and extend our species beyond the final finality all must face. The book illustrates how our history of violence toward one another honed these characteristics. The book illustrates how by honing them, humanity can survive if and when we must face a final conflict. The story points out the necessity to plan ahead for the finality, real problems that must be faced and solved to successfully extend the species. It is hoped that the reader will appreciate these characteristics and realize that while humanity has historically fought one another, we are a single species. Some Girls Bite Aug 27 2019 Sure, the life of a graduate student wasn't exactly glamorous, but it was mine. I was doing fine until Chicago's vampires announced their existence to the world - and then a rogue vampire attacked me. But he only got a sip before he was scared away by another bloodsucker ... one who decided the best way to save my life was to take it. Turns out my saviour was the master vampire of Cadogan House. Of course, as a tall, green-eyed, four hundred year old vampire, he has centuries' worth of charm, but unfortunately he also seems to expect my eternal gratitude - and servitude. Right ... But my burgeoning powers (all of a sudden, I'm surprisingly handy with some serious weaponry), an inconvenient sunlight allergy, and Ethan's attitude are the least of my concerns. Someone's out to get me. Is it the rogue vampire who bit me? A vamp from a rival House? An angry mob bearing torches? My initiation into Chicago's nightlife may be the first skirmish in a war - and there's going to be blood ...

Old and New World Highland Bagpiping Sep 28 2019 The work is the result of over thirty years of oral fieldwork among the last Gaels in Cape Breton, for whom piping fit unself-consciously into community life, as well as an exhaustive synthesis of Scottish archival and secondary sources. Reflecting the invaluable memories of now-deceased new world Gaelic lore-bearers, John Gibson shows that traditional community piping in both the old and new world Gàithealachlan was, and for a long time remained, the same, exposing the distortions introduced by the tendency to interpret the written record from the perspective of modern, post-eighteenth-century bagpiping. Following up the argument in his previous book, *Traditional Gaelic Bagpiping, 1745-1945*, Gibson traces the shift from tradition to modernism in the old world through detailed genealogies, focusing on how the social function of the Scottish piper changed and step-dance piping progressively disappeared. *Old and New World Highland Bagpiping* will stir controversy and debate in the piping world while providing reminders of the value of oral history and the importance of describing cultural phenomena with great care and detail.

VoorAltijd Mijn Graaf May 05 2020 Ware liefde is voor sprookjes. Dat is tenminste wat Miss Hannah Knight gelooft. Haar vormende jaren waren gevuld met moeilijkheden, maar ze draagt altijd één herinnering met zich mee - zelfs in de donkerste tijden. De zomer bracht ze door in Manchester Castle, waar ze begon te dromen van een nog lang en gelukkig in de armen van de man die haar hart vasthoudt. De oorlog heeft Garrick Edwards cynisch gemaakt. Hij had nooit verwacht de titel te erven en de graaf van Manchester te worden, maar zijn broer dronk zichzelf in een vroeg graf en liet een dochter achter en een berg schulden. Met tegenzin keert hij terug naar zijn voorouderlijk huis. Als hij

aankomt, vindt hij daar Hannah. Haar brieven tijdens de oorlog hadden hem hoop gegeven als die er niet was; hij gelooft echter niet dat hij haar liefde verdient. Terwijl ze hun vriendschap nieuw leven inblazen, vinden ze hoop dat ze dachten dat ze beiden verloren hadden. In de grond van hun hart houden ze vast aan die hoop en beginnen ze zich af te vragen of sommige dromen kunnen uitkomen. De vraag is of ze dapper genoeg zijn om naar hen te reiken ...
