*History of the Chicago Bulls 1984-2022* Sep 20 2021 The Michael Jordan era (1984-98) changed the home atmosphere of half-empty stands to SRO crowds, media hordes, downtown parades, Grant Park celebrations, and drama – perhaps too much drama before MJ took a brief leave-of-absence. Led by coach Phil Jackson, it was Scottie Pippen, Horace Grant, BJ Armstrong, Craig Hodges, John Paxson, Bill Cartwright, and Toni Kukoc who either joined him in the championship run or kept the team playoff-bound until he returned. The second 3-peat included Kukoc, former Detroit Pistons Bad Boy Dennis Rodman, Steve Kerr, and Luc Longley. The Bulls’ post-Jordan era brought 6 years of lean times, then back to the playoff hunt. Those who emerged and thrived were Elton Brand (2000 ROY), Ben Gordon (2005 6th Man), Andres Nocioni, Kirk Hinrich, Luol Deng, Joakim Noah (2014 Player of the Year), Derrick Rose (2008 ROY, 2011 MVP), Jimmy Butler, and current stars DeMar DeRozan, Zach LaVine, Nikola Vucevic, and Coby White. What you'll find inside... § End of the Year Standings, Home/Away records, and Best/Worst records vs. opponents. § Club & League news: rule changes, trends, trades, suspensions, and noteworthy games § Stat leaders: Top Scoring, Rebounding, Assists, Blocks, 3-point percentage, and FT percentage § Year End Awards include Hall of Fame inductees, First Team Offense & Defense, and Finals outcome

*"YOU CALL IT SPORTS, BUT I SAY IT'S A JUNGLE OUT THERE!"* Sep 08 2020 For the last quarter century, Dan Jenkins has been fixing his cold-eyed stare and wisecracking style on the real-life Billy Clyde and Kenny Lee Pucketts of the sports world. You Call It Sports, But I Say It's a Jungle Out There is a collection of his best work from Sports Illustrated, Playboy, Golf Digest, and his nationally syndicated column, and includes a stack of new pieces written especially for this book. Jenkins spares no one in his search for the culprits who have taken the fun out of sports: NFL owners and refs, PGA Tour administrators, basketball players who can't read, tennis players who can't speak English (or say anything worth hearing when they do). He also finds things worth celebrating: the electric charge given off by Arnold Palmer at his best, the excitement of a truly great college football game, or a real heavyweight champion, like Joe Louis. Overflowing with good ol' boys, great one-liners, famous sporting events, and barroom tales, this is the best of Dan Jenkins—which is to say, it's as good as sportswriting gets anywhere.

**14 Miles** Nov 22 2021 An esteemed journalist delivers a compelling on-the-ground account of the construction of President Trump's border wall in San Diego—and the impact on the lives of local residents. In August of 2019, Donald Trump finished building his border wall—at least a portion of it. In San Diego, the Army Corps of engineers completed two years of construction on a 14-mile steel beamed barrier that extends eighteen-feet high and cost a staggering \$147 million. As one border patrol agent told reporters visiting the site, "It was funded and approved and it was built under his administration. It is Trump's wall." 14 Miles is a definitive account of all the dramatic construction, showing readers what it feels like to stand on both sides of the border looking up at the imposing and controversial barrier. After the Department of Homeland Security announced an open call for wall prototypes in 2017, DW Gibson, an award-winning journalist and Southern California native, began visiting the construction site and watching as the prototype samples were erected. Gibson spent those two years closely observing the work and interviewing local residents to understand how it was impacting them. These include April McKee, a border patrol agent leading a recruiting program that trains teenagers to work as agents; Jeff Schwilk, a retired Marine who organizes pro-wall rallies as head of the group San Diegans for Secure Borders; Roque De La Fuente, an eccentric millionaire developer who uses the construction as a promotional opportunity; and Civile Ephedouard, a Haitian refugee who spent two years migrating through Central America to the United States and anxiously awaits the results of his asylum case. Fascinating, propulsive, and incredibly timely, 14 Miles is an important work that explains not only how the wall has reshaped our landscape and countless lives but also how its shadow looms over our very identity as a nation.

**Sixty Years of Jump Racing** May 17 2021 Robin Oakley brings alive the colourful world of those who ride and train jumping horses. With elegant production and gripping images The History of Jump Racing chronicles the social and economic changes which have brought the sport's ups and downs-like the development of sponsorships and syndicate ownership, the near loss of the Grand National, the growing domination of the Cheltenham Festival and the growth of all-weather racing to meet the bookies' demands for betting shop fodder. Pace and colour is provided by stories of the horses who have been taken to the heart of racing crowds, like the Irish-trained hurdler Istabraq and Best Mate, the three-times winner of the Cheltenham Gold Cup for England. Famous rivalries and memorable races are re-lived and key victories revisited in portraits of and interviews with the owners, jockeys and trainers who have dominated the sport. The emphasis will be largely on the past fifty years-from Arkle to Tony McCoy-but a significant introduction by Edward Gillespie encapsulates the past history of what was previously known as 'National Hunt Racing' and sets the stories in context. .

**Eten om te winnen** Aug 27 2019 Novak Djokovic beleefde in 2011 een fantastisch jaar: hij won tien titels, drie grandslamtoernooien en drieënveertig opeenvolgende wedstrijden. Heel bijzonder voor een sporter die nog geen twee jaar eerder nauwelijks een toernooi kon winnen. Hoe kon een tennisser, geplaagd door aandoeningen, blessures en ademproblemen plotseling de nummer één van de wereld worden? Het antwoord is verbluffend: hij ging anders eten. In Eten om te winnen vertelt Djokovic hoe hij de bombardementen op Belgrado overleefde en opgroeide van oorlogskind tot een absolute topper in zijn sport. Hij onthult het dieet dat zijn leven veranderde en zijn prestaties omhoog deed schieten. Door glutenvrij te eten werd hij beter, lichter, helderder en sneller. Djokovic verfijnde zijn dieet en verloor nog meer gewicht, zijn lichaam en mentale focus werden sterker, wat ertoe leidde dat hij een jeugdroom kon verwezenlijken: Wimbledon winnen en de eerste plaats in de ATP Rankings bereiken. Zijn succes inspireerde Djokovic een methode te ontwikkelen waarmee iedereen zijn gezondheid en manier van leven in 14 dagen kan verbeteren. Met weekmenu's, tips voor bewust eten en heerlijke recepten die makkelijk te maken zijn, kun je overgewicht verminderen en ga je je beter voelen. Djokovic geeft ook tips om stress te verminderen en eenvoudige oefeningen om in beweging te komen. Met Eten om te winnen word je slanker, sterker en gezonder in twee weken. Richard Krajicek en William Davis (auteur Broodbuik) schreven allebei een voorwoord voor dit boek.

**Serve to Win** Nov 03 2022 Novak Djokovic reveals the gluten-free diet and fitness plan that transformed his health and pushed him to the pinnacle. In 2011, Novak Djokovic had what sportswriters called the greatest single season ever by a professional tennis player: He won ten titles, three Grand Slams, and forty-three consecutive matches. Remarkably, less than two years earlier, this champion could barely complete a tournament. How did a player once plagued by aches, breathing difficulties, and injuries on the court suddenly become the #1 ranked tennis player in the world? The answer is astonishing: He changed what he ate. In Serve to Win, Djokovic recounts how he survived the bombing of Belgrade, Serbia, rising from a war-torn childhood to the top tier of his sport. While Djokovic loved and craved bread and pasta, and especially the pizza at his family's restaurant, his body simply couldn't process wheat. Eliminating gluten—the protein found in wheat—made him feel instantly better, lighter, clearer, and quicker. As he continued to research and refine his diet, his health issues disappeared, extra pounds dropped away, and his improved physical health and mental focus allowed him to achieve his two childhood dreams: to win Wimbledon, and to become the #1 ranked tennis player in the world. Now Djokovic has created a blueprint for remaking your body and your life in just fourteen days. With weekly menus, mindful eating tips for optimal digestion, and delicious, easy-to-prepare recipes, you'll be well on your way to shedding extra weight and finding your way to a better you. Djokovic also offers tips for eliminating stress and simple exercises to get you revved up and moving, the very same ones he does before each match. You don't need to be a superstar athlete to start living and feeling better. With Serve to Win, a trimmer, stronger, healthier you is just two weeks away.
