Business Law: Text & Cases - An Accelerated Course Aug 08 2020

Based on the longtime market-leader BUSINESS LAW: TEXT AND CASES by Clarkson/Miller/Cross, this paperback text offers an affordable

solution for those looking for a concise one-semester text that offers in-depth treatment of today's business law topics. Designed for the contemporary one-semester course, **BUSINESS LAW: TEXT AND CASES-AN ACCELERATED COURSE** provides the rigor and seriousness of a classic black-letter law text with a brief nineteen-chapter table of contents. The text combines the benefits of a black-letter law approach with a strong student orientation, making the law accessible, interesting, and relevant for readers. An excellent assortment of included cases range from precedent-setting landmarks to important recent decisions, and ethical, global, e-commerce, digital, and corporate themes are integrated throughout this edition. In addition, numerous critical-thinking exercises challenge students to apply what they have learned to real-world issues. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Cyber Crime and Digital Evidence Jun 29 2022 This book is entitled *Cyber Crime and Digital Evidence* for one fundamental reason: it is more likely that a lawyer or judge will encounter digital evidence in almost every case, given its ubiquity in modern life. Nearly half of this book is devoted to the government's acquisition of digital evidence, regardless of the underlying crime. The balance of the book is devoted to various aspects of the criminal law that have been modified to address new forms of bad behavior that are facilitated by digital devices and networks.

Materials in Trial Advocacy Aug 27 2019 Unrivaled in authorship, **MATERIALS IN TRIAL ADVOCACY**, now in its Sixth Edition, continues to be a solid choice for your students. Help them make a smooth transition from the classroom to the courtroom with a text that has successfully prepared thousands of lawyers for court. Backed by 30 years of professional practice as lawyers and judges, the authors present thoughtfully crafted problems and cases, organized to parallel the stages of a real-life trial. Many great features allow this text to remain the best in the field: Authors Thomas A. Mauet and Warren D. Wolfson bring unparalleled trial experience to the text, having practiced law as both lawyers and judges for 30 years. Trial techniques are divided into three

levels: the essentials, the process of developing trial strategy, and complete trials. Materials are based on actual cases from the authors' own professional experiences. Each chapter contains both civil and criminal problems of increasing complexity. Contains two-witness trial problems not found in any other materials book. More complete coverage, more cases, and more problems than competing titles. Important new material in the Sixth Edition makes this great text even better: A new full trial case involving medical malpractice. Two new problems involving insider trading and expert scientific testimony. A thorough revision of the entire text offers additional thought and clarity to existing problems. **STUDYGUIDE FOR STRATEGIC MGMT** Apr 15 2021 Never HIGHLIGHT a Book Again! Classic Readings and Cases in the Philosophy of Law Apr 03 2020 With over sixty cases as support, this text presents the philosophy of law as a perpetual series of debates with overlapping lines and cross connections. Using law as a focus to bring into relief many social and political issues of pressing importance in contemporary society, this book encourages readers to think critically and philosophically. *Classic Readings and Cases in the Philosophy of Law* centers on five major questions: What is law? What, if any, connection must there be between law and morality? When should law be used to restrict the liberty of individuals? To what extent should democratic states permit civil disobedience? What, if anything, justifies the infliction of punishment on those who violate the law? The extensive anthology of cases covers the mundane to the grandest of constitutional issues, including controversial topics like ownership of genetic material, capital punishment, and gay rights. Brief introductions to each case describe the central issue being litigated, the legal reasoning of the justices—both majority and dissenting—the decision of the court, and its philosophical significance.

Case Studies in Biomedical Ethics Oct 02 2022 The most comprehensive and up-to-date collection of its kind, Case Studies in Biomedical Ethics: Decision-Making, Principles, and Cases, Second Edition, explores fundamental ethical questions arising from real situations faced by health professionals, patients, and others. Featuring a wide range of more than 100 case studies drawn from current events, court cases, and physicians' experiences, the book is divided into three parts. Part 1 presents a basic framework for ethical decision-making in healthcare, while Part 2 explains the relevant ethical principles: beneficence and nonmaleficence, justice, respect for autonomy, veracity, fidelity, and avoidance of killing. Parts 1 and 2 provide students with the background to analyze the ethical dilemmas presented in Part 3, which features cases on a broad spectrum of issues including abortion, mental health, experimentation on humans, the right to refuse treatment, and much more. The volume is enhanced by opening text boxes in each chapter that cross-reference relevant cases in other chapters, an appendix of

important ethical codes, and a glossary of key terms.

Selected Cases from the Supreme People's Court of the People's Republic of China Feb 23 2022 This volume includes guiding cases of the Supreme People's Court, cases deliberated on by the Judicial Council/Committee of the Supreme People's Court, and cases discussed at the Joint Meetings of Presiding Judges from the various tribunals. This book is divided into four sections, including Cases by Justices, Selected Judicial Opinion(s), "Hot Cases" and "Typical Cases", which will introduce readers to Chinese legal processes, legal methodologies and ideology in an intuitive, clear, and accurate manner. This volume presents cases selected by the trial departments of the Supreme People's Court of China from their concluded cases. In order to give full weight to the legal value and social functions of cases from the Supreme People's Court, and to achieve the goal of "serving the trial practices, serving economic and social development, serving legal education and legal scholarship, serving international legal exchanges among Chinese and foreign legal communities and serving the rule of law in China", the China Institute of Applied Jurisprudence, with the approval of the Supreme People's Court, opted to publish "Selected Cases from the Supreme People's Court of the People's Republic of China" in both Chinese and English, for domestic and overseas distribution.
