FranklinCovey Style Guide Nov 10 2020 FranklinCovey Style Guide: For Business and Technical Communication can help any writer produce documents that achieve outstanding results. Created by FranklinCovey, the world-renowned leader in helping organizations enhance individual effectiveness, this edition fully reflects today's online media and global business challenges. The only style guide used in FranklinCovey's own renowned Writing AdvantageTM and Technical Writing AdvantageTM programs, it covers everything from document design and graphics to sentence style and word choice. This edition's many improvements include extensive new coverage of graphics, writing for online media, and international business English. Through dozens of examples and model documents, writers learn how to overcome "writer's block" and efficiently create documents from start to finish. FranklinCovey's experts show how to get powerful results from every email; add distinctiveness and power to any online presence; write far more effective proposals, letters, memos, reports, and resumes; and improve all forms of documentation, from business procedures to highly technical content. You'll learn how to quickly discover and prioritize the information you need, whether you're planning a presentation, leading a meeting, or managing a project. The authors reveal how to design visuals that communicate messages instantly and intuitively, and use charts, color, illustrations, maps, photos, and tables to supercharge any presentation. Packed with up-to-the-minute examples, this A-Z guidebook can help you write more effectively no matter who you are - whether you're a business or sales professional who must motivate and persuade, a technical professional who must explain challenging content more clearly and accurately, or a student who needs stronger writing skills to succeed in school and in your career.

Write It Down Mar 27 2022 A well-understood tenet exists among the FDA and other regulatory bodies: if you didn't write it down, it didn't happen! And if it didn't happen, your company stands to lose time, money, and perhaps its competitive edge. This book provides writers with the tools they need to put effective documentation in place. It offers a broad range of documents representative of the types of writing in the healthcare industry, from the laboratory and QA to manufacturing and regulatory affairs. The book offers valuable insights into managing systems and producing documentation that meets the requirements of the binding regulations.

The Academic Writer's Toolkit Sep 08 2020 Berger's slim, user-friendly volume on academic writing is a gift to linguistically-stressed academics. Author of 60 published books, the author speaks to junior scholars and graduate students about the process and products of academic writing. He differentiates between business writing skills for memos, proposals, and reports, and the scholarly writing that occurs in journals and books. He has suggestions for getting the "turgid" out of turgid academic prose and offers suggestions on how to best structure various forms of documents for effective communication. Written in Berger's friendly, personal style, he shows by example that academics can write good, readable prose in a variety of genres.
